

CASE IH, STEIGER, AND NEW HOLLAND T9 AIR CLEANER IDENTIFICATION SHEET

Review the air cleaner on tractor to determine which Pre-Cleaner and adaptor kit to order.
(Pictures apply to both Steiger and T9 Tractors)

Determine the position of the OEM air intake.

- If on the left front corner of the cab, a KAS adapter kit is not available.
- If on the right front corner of the cab, continue below.

Determine the style of the OEM air intake.

- Style A: **ORDER KAS-255**
- Style B: continue below.

STYLE A

STYLE B

If Style B, determine the version of OEM air intake.

- Version 1: Bottom of OEM air intake tube is even with the bottom of the grab handle.

ORDER KAS-254

- Version 2: Bottom of the OEM air intake tube is even with the door hinge.

Order **KAS-254**
